The screenshot shows the Visual Studio Code editor interface. The main editor window displays an HTML file named 'exp1.html'. The code is as follows:

```
<html>
<head>
  <style>
  </style>
  <title>
    da da da da da its
  </title>
</head>
<body>
  <p>y nada mas</p>
  <div class="div1">

  </div>
  <div>
    <h4>rabbit</h4>
  </div>
  <a href="https.google.com"> play game</a>
<p>hella beredar</p>
<hr>
<br>
<br>
```

The bottom status bar indicates the cursor is at line 19, column 46. The taskbar at the bottom shows various application icons and the system clock.

Output:

y nada mas
